

EXTENSION AND RESOURCE SUPPORT TO SECONDARY SCHOOLS - LAB SCHOOL

There is a Department called DEPARTMENT OF EXTENSION EDUCATION AND SCHOOL COMPLEX in the Institute. The important functions of the department are:

- **To organise extension service in the schools of extension areas.**
- **To organise school complex activities in the schools of education circles under its jurisdiction.**
- **To provide academic resource support and guidance to individual teachers and schools of secondary level including DIETs and S.T. Schools and where required.**
- **To organise programmes for encouraging community participation.**
- **To provide academic resource support of professional bodies.**
- **To organise academic programmes for adults and continuing education.**
