

RESEARCH AND PUBLICATION

There is a Department called DEPARTMENT OF RESEARCH & INNOVATION in the Institute. The important functions of the department are:

- **To coordinate institutional research programme undertaken by different department.**
- **To coordinate the research programme undertaken by the Training schools, DIETs, Training Colleges and CTEs.**
- **To coordinate the Ph.D. programmes of the IASEs and also as the Nodal Centre of Ph.D. (Education) under the Sambalpur University.**
- **To organise pilot programmes in teacher education through experimentation (The research programme of the IASE should be of advanced level fundamental and applied and experimentation in education of interdisciplinary nature).**

There is another department named as DEPARTMENT OF PUBLICATION AND SPECIAL PROGRAMMES. The important functions of the department are:

- **To develop instructional packages.**
- **To bring out the Calendar, Magazine, News Letters and other publications of the Institute.**
