

# Unified Training Calendar of School and Mass Education Department

## 2016-2017

School and Mass Education Department  
Government of Odisha

*There are multiple training providing organizations under the School and Mass Education Department. These organizations used to work in isolation and insularity, with almost no coordination and convergence, leading to a lot of overlapping. This struck the Department with much intensity. The eminently desirable option was to design a Unified Training Calendar encompassing programmes proposed to be executed by organizations such as the Odisha Primary Education programme Authority, Odisha Madhyamik Shiksha Mission and State Council of Educational Research and Training during 2016-2017.*

*This is an honest beginning to be taken forward in years ahead.*
